

CLOSE PROTECTION

In an ever-changing world close protection services are a must for high profile VIPs, celebrities and business people. VIP Security offers a wide range of close protection services including bodyguards, security teams and one-to-one protection at your residence, hotel or business base. Our dedicated SIA licensed professionals can also support and protect high net worth individuals/families travelling into the UK from overseas. Our service is meticulously planned. We offer covert counter surveillance to give you the best protection, with the least intrusion 24/7. Thanks to our team's support you'll be able to get on with what's important, with complete peace of mind. Our specialist team of security professionals can also escort individuals from one location to another, whenever safety is a concern.

We can also help you avoid unwanted media attention or unnecessary delays. Our experienced team has been trained to adapt and react quickly to the most dangerous of situations. VIP Security can also help you secure your assets, whether that is valuable property, exhibit in an art gallery or the transportation of a high-value item. We work in partnership with our clients to identify all risks and create bespoke security solutions Available 24/7 we can offer maximum protection to keep your property safe and give you peace of mind.
