Working With You

Managing the door at a licensed bar or club premise takes hard work, skill, resilience and great customer service. VIP Security's SIA licensed team of door security staff are highly trained and able to deal with all situations. All our staff wear a smart VIP uniform so that customers and staff can easily identify who's on the door. Licensed bar door supervisors are vital to protect your customers, staff and venue. Our licensed security officers are carefully selected, DBS checked and level 2 qualified in door supervision. We will cover all licensed areas, control numbers, and effectively monitor guests and deal with conflicts in a calm and professional manner.

Weddings, Proms & VIP Functions, we'll ensure your special day is a day to remember for all the right reasons. We work in partnership with venues and event planners to secure all your needs from traffic management through to door security. Our security team are DBS checked and able to work alongside schoolchildren and young or vulnerable people.

VIP Valet Parking, arrive in style and be met by a uniformed member of our VIP valet parking team. Let your guests leave their keys with us and we'll park their car safely and securely.

Door Security Licensed Paramedics, our SIA door security licensed paramedics are not only trained as frontline security operatives but are also fully trained and qualified paramedics. Offering clients personnel with a mixed skill set provides the very best service as well as a very cost-effective solution. These professionals are ideal for large venues, sporting events and live music concerts. assured you're in safe hands.
